DAY 25

DRAWING ENTRY #5

DAY 26

DAY 27

DAY 28

DAY 29

DAY 30

DRAWING ENTRY #6 AND PRIZE BAG

This Summer Reading Tracking Log is for students entering 5th - 12th grades.

1.) Register for the challenge. You can register online at morton.michlibrary.org/summer-reading-program or fill out a registration form at the library. Registration is required so we can prepare a prize bag for all participants.

2.) Mark off a circle (one per day) after reading or being read to. You can read for 15 minutes, 30 minutes, or hours! Our goal is to have you read -- you decide how long! You have from June 13th through July 24th to finish the challenge, so you don't have to complete all 30 days in a row.

3.) After reading at least once a day for 5 days, bring your reading log to the library to enter your name into the grand prize drawings. You can do this at the Thursday events or any time during regular library hours.

3.) Once you have completed the challenge, visit morton.michlibrary.org/summer-reading-program, to let us know!

4.) Prize bags will be available to pick up at our Teen After Hours Party on July 28th. Participants who are unable to attend these events can pick up their bags at the library any time after July 28th.
